Senior Companions serve only adults, primarily older adults, who have one or more physical, emotional, or mental health limitations and are in need of assistance to achieve and maintain their highest level of independent living.

Subpart I—Application and Fiscal Requirements

§ 2551.91 What is the process for application and award of a grant?

(a) *How and when may an eligible organization apply for a grant?*

- (1) An eligible organization may file an application for a grant at any time.
- (2) Before submitting an application an applicant shall determine the availability of funds from the Corporation.
- (3) The Corporation may also solicit grant applicants. Applicants solicited under this provision are not assured of selection or approval and may have to compete with other solicited or unsolicited applications.

(b) *What must an eligible organization include in a grant application?*

- (1) An applicant shall complete standard forms prescribed by the Corporation.
- (2) The applicant shall comply with the provisions of Executive Order 12372, "Intergovernmental Review of Federal Programs," (3 CFR, 1982 Comp., p. 197) in 45 CFR part 1233 and any other applicable requirements.

(c) *Who reviews the merits of an application and how is a grant awarded?*

- (1) The Corporation reviews and determines the merit of an application by its responsiveness to published guidelines and to the overall purpose and objectives of the program. When funds are available, the Corporation awards a grant in writing to each applicant whose grant proposal provides the best potential for serving the purpose of the

program. The award will be documented by Notice of Grant Award (NGA).

(2) The Corporation and the sponsoring organization are the parties to the NGA. The NGA will document the sponsor's commitment to fulfill specific programmatic objectives and financial obligations. It will document the extent of the Corporation's obligation to provide financial support to the sponsor.

(d) *What happens if the Corporation rejects an application?* The Corporation will return to the applicant an application that is not approved for funding, with an explanation of the Corporation's decision.

(e) *For what period of time does the Corporation award a Senior Companion grant?* The Corporation awards a Senior Companion grant for a specified period that is usually 12 months in duration.

§ 2551.92 What are project funding requirements?

(a) *Is non-Corporation support required?* A Corporation grant may be awarded to fund up to 90 percent of the cost of development and operation of a Senior Companion project. The sponsor is required to contribute at least 10 percent of the total project cost from non-Federal sources or authorized Federal sources.

(b) *Under what circumstances does the Corporation allow less than the 10 percent non-Corporation support?* The Corporation may allow exceptions to the 10 percent local support requirement in cases of demonstrated need such as:

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(c) *May the Corporation restrict how a sponsor uses locally generated contributions in excess of the 10 percent non-Corporation support required?* Whenever locally generated contributions to Senior Companion projects are in excess of the

minimum 10 percent non-Corporation support required, the Corporation may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

(d) *Are program expenditures subject to audit?* All expenditures by the grantee of Federal and non-Federal funds, including expenditures from excess locally generated contributions in support of the grant are subject to audit by the Corporation, its Inspector General, or their authorized agents.

(e) *How are Senior Companion cost reimbursements budgeted?* The total of cost reimbursements for Senior Companions, including stipends, insurance, transportation, meals, physical examinations, and recognition, shall be a sum equal to at least 80 percent of the amount of the federal share of the grant award. Federal, required non-Federal, and excess non-federal resources can be used to make up the amount allotted for cost reimbursements.

(f) *May a sponsor pay stipends at a rate different than the rate established by the Corporation?* A sponsor shall pay stipends at the same rate as that established by the Corporation.

§ 2551.93 What are grants management requirements?

What rules govern a sponsor's management of grants?

(a) A sponsor shall manage a grant in accordance with:

§ 2551.101

homepage www.whitehouse.gov/WH/EOP/omb); and

(5) Other applicable Corporation requirements.

(b) Project support provided under a Corporation grant shall be furnished at the lowest possible cost consistent with the effective operation of the project.

(c) Project costs for which Corporation funds are budgeted must be justified as being necessary and essential to project operation.

(d) Other than reimbursement for meals during a normal meal period, project funds shall not be used to reimburse volunteers for expenses, including transportation costs, incurred while performing their volunteer assignments. Equipment or supplies for volunteers on assignment are not allowable costs. Assignment-related costs of transportation, equipment, supplies, etc. are the responsibility of the volunteer station or a third party, and are not an allowable grant cost.

(e) Volunteer expense items, including transportation, meals, recognition activities and items purchased at the volunteers' own expense and which are not reimbursed, are not allowable as contributions to the non-Federal share of the budget.

(f) Costs of other insurance not required by program policy, but maintained by a sponsor for the general conduct of its activities are allowable with the following limitations:

(1) Types and extent of and cost of coverage are according to sound institutional and business practices;

(2) Costs of insurance or a contribution to any reserve covering the risk of loss of or damage to Government-owned property are unallowable unless the government specifically requires and approves such costs; and

(3) The cost of insurance on the lives of officers, trustees or staff is unallowable except where such insurance is part of an employee plan which is not unduly restricted.

(g) Costs to bring a sponsor into basic compliance with accessibility requirements for individuals with disabilities are not allowable costs.

(h) Payments to settle discrimination allegations, either informally through a settlement agreement or for-

(1) Reduction in budgeted volunteer service years.

(2) Change in the service area.

(3) Transfer of budgeted line items from Volunteer Expenses to Support Expenses. This requirement does not apply if the 80 percent volunteer cost reimbursement ratio is maintained.

Subpart J—Non-Stipended Senior Companions.

§ 2551.101 What rule governs the recruitment and enrollment of persons who do not meet the income eligibility guidelines to serve as Senior Companions without stipends?

Over-income persons, age 60 or over, may be enrolled in SCP projects as non-stipended volunteers in communities where there is no RSVP project or where agreement is reached with the RSVP project that allows for the enrollment of non-stipended volunteers in the SCP project.

§ 2551.102 What are the conditions of service of non-stipended Senior Companions?

Non-stipended Senior Companions serve under the following conditions:

§2551.103 Must a sponsor be required to enroll non-stipended Senior Companions?

Enrollment of non-stipended Senior Companions is not a factor in the award of new or continuation grants.

§2551.104 May Corporation funds be used for non-stipended Senior Companions?

Federally appropriated funds for SCP shall not be used to pay any cost, including any administrative cost, incurred in implementing the regulations in this part for non-stipended Senior Companions.

Subpart K—Non-Corporation Funded SCP Projects

§2551.111 Under what conditions can an agency or organization sponsor a Senior Companion project without Corporation funding?

An eligible agency or organization who wishes to sponsor a Senior Companion project without Corporation funding, must sign a Memorandum of Agreement with the Corporation that:

§2551.114 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor's noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation's agreement and all benefits specified in §2551.112.

- (i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or
- (ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(iii) Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(c) *Compensation for service.* (1) An agency or organization to which NSSC volunteers are assigned or which operates or supervises any NSSC program shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant or from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the Corporation grant.

(3) A Senior Companion volunteer station may contribute to the financial

support of the Senior Companion Program. However, this support shall not be a required precondition for a potential station to obtain Senior Companion service.

(4) If a volunteer station agrees to provide funds to support additional Senior Companions or pay for other Senior Companion support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a Senior Companion receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) *Labor and anti-labor activity.* The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.
